

Fall 2021 Circular Vendor Participation Form
Fax your order intent and this list to
Imagine Advertising by July 19th
770-734-0883

Please check the following participating vendors you are using in your circular. Participating vendors are subject to change. Please submit your selected vendor list to us by 7/19/2021. It is our expectation that your chosen vendors will include vendors that are on the approved FMG list. If not, you must have a prior agreement in writing from the respective vendor in order to be reimbursed for their product placement. Imagine will send a courtesy email - to notify each prospective vendor of your desired participation - based on this list. Should the vendor refuse to reimburse Imagine Advertising, a supplemental invoice may be submitted directly to you. Should you submit a revised vendor list after the deadline, you must include a written approval from the vendors you have selected.
